

How to Register on the Platform

Smart Kopargaon Hackathon — Participant Onboarding Guide

A step-by-step walkthrough to log in, set up your team, complete registration, and choose your problem statement.

7 SIMPLE STEPS

STEP 1

You've received your credentials

Check your inbox for this email from Smart Kopargaon Hackathon. It contains your login email and a temporary password.

STEP 2

Log in with your credentials

Open the portal link and sign in using the email and temporary password shared in Step 1.

Step 2 of 8

STEP 3

Reset your temporary password

On first login you'll be prompted to set a new, secure password. Verify with the OTP if requested.

The screenshot shows a web browser window with the URL `skh.sanjivaniuniversity.com/change-password`. The page is titled "Set your password" and includes a shield icon. Below the title, it says "For security, set a new password before continuing." A message states: "We sent a 6-digit code to `sk***@sanjivani.edu.in`. Enter it below." There is a "Verification code" label and a text input field containing "6 - d i g i t c o d e". A link "Resend code in 27s" is visible. Below this is a "New password" section with a text input field containing "At least 8 characters" and an eye icon. A "Confirm new password" section has a text input field containing "Re-enter password". At the bottom is a blue button labeled "Set password & continue" and a "Sign out" link.

STEP 4

Your participant dashboard

After logging in you land on your dashboard. It guides you through each remaining step of registration.

The screenshot displays the SKH Participant Dashboard in a web browser. The browser's address bar shows the URL `skh.sanjivaniuniversity.com/dashboard`. The dashboard features a left-hand navigation menu with options: Home, My Progress, My Team (highlighted in yellow), Registration, Problem Statements, Submission, Team Chat, Mentor Chat, Announcements, and Settings. The main content area is titled "PARTICIPANT DASHBOARD" and includes a "Welcome back!" message, a progress indicator showing "14% complete", and a "Create or Join a Team" button. Below this, a horizontal timeline lists seven steps: 1 Hackathon, 2 Team (active), 3 Register & pay, 4 Entry fee, 5 Problem statement, 6 Problem Statements Live & Registration Opens, and 7 Round 1 - Idea Screening. The "Your Progression" section details the current step, "Problem Statements Live & Registration Opens", which is marked as "IN PROGRESS". It provides instructions: "All ~40 SIH + SKH problem statements published for teams to explore and select. eams of 4 register on the portal and choose a problem statement." and a "Deadline: 27 Jul, 11:59 pm". The next step, "Round 1 - Idea Screening", is marked as "LOCKED" and noted as "Not eligible for this phase". The user's profile information at the bottom left shows the name "User" and email "skh@sanjivani.edu.in", with a "Sign out" link.

Welcome back!

6 steps remaining to be hackathon-ready.

14% complete

Create or Join a Team →

1 Hackathon 2 Team 3 Register & pay 4 Entry fee 5 Problem statement 6 Problem Statements Live & Registration Opens 7 Round 1 - Idea Screening

Your Progression

Problem Statements Live & Registration Opens IN PROGRESS

Currently submitting

All ~40 SIH + SKH problem statements published for teams to explore and select. eams of 4 register on the portal and choose a problem statement.

Deadline: 27 Jul, 11:59 pm

Round 1 - Idea Screening LOCKED

Not eligible for this phase

Teams submit an idea presentation/PPT: all valid, on-topic entries qualify

STEP 5

Create your team

Open “My Team” and create your team — use the same team as registered on the UMS registration portal.

The screenshot shows a web browser window with the URL `skh.sanjivaniuniversity.com/dashboard/team`. The browser's address bar also shows "My Team · Smart Kopargaon Ha". The page has a dark header with "Ask Gemini" and "School" buttons. The main content area is titled "My Team" and includes a sub-header "1-4 members · Added by the team leader". A yellow box highlights the "Create Your Team" section, which contains the text: "You are the team leader. After creating your team, add details for every member (1 to 4) on the Registration page." Below this, an orange box states: "Use the same team as registered on the UMS registration portal." The "Team name" field is filled with "Team SKH", and a blue "Create team" button is at the bottom.

STEP 6

Add team & member details

On the Registration page, the team leader fills in details for every member (1 to 4 members). No ID card required.

The screenshot shows a web browser window with the URL `skh.sanjivaniuniversity.com/dashboard/registration`. The page is titled "Team & Member Details". On the left is a sidebar with navigation links: Home, My Progress, My Team, Registration (highlighted), Problem Statements, Submission, COMMUNICATE (Team Chat, Mentor Chat, Announcements), and ACCOUNT (Settings, User profile for skh@sanjivani.edu.in with a Sign out button). The main content area has a search bar and a "Home" link. Below the title, an orange box contains a warning: "Enter your team **exactly as registered on the UMS registration portal**. The team leader fills in details for every member — other members do not need to log in." The form includes a "Team Name" field with "Team SKH" and a "Number of Members" section with buttons for 1, 2, 3, and 4 (button 1 is selected). The "Team Leader" section contains fields for Full Name, Email (skh@sanjivani.edu.in), Mobile Number (10-digit number), College Name (College / Institute), College Location (City / District), Year of Study (dropdown menu), and Department (e.g. Computer Engineering).

You are on the participant roster

Member Registrations: 1 / 1 **Complete**

The team leader fills in details for every member (name, email, mobile, college, location, year, department) before the team can proceed.

Event Registration: Complete team registration for the event. **Ready to register**

Confirm registration → (highlighted button)

STEP 8

Select your problem statement

Browse the problem statements, open any for full details, and select the one your team will work on.

Note: If you are bringing your own Open Innovation idea, the problem statement submission tab will be enabled soon.

The screenshot displays the SKH Participant Dashboard. The left sidebar contains navigation links: Home, My Progress, My Team, Registration, **Problem Statements** (highlighted), Submission, COMMUNICATE (Team Chat, Mentor Chat, Announcements), and ACCOUNT (Settings, User profile for skh@sanjivani.edu.in with a Sign out button). The main content area is titled 'Problem statements' with a sub-note: 'Popularity reflects live selection counts. Changing tracks follows server phase rules and payment gates.' Below this is a search bar and a 'Filters' button. It states 'Showing 50 of 50 problem statements'. Four problem statement cards are visible:

- skh001: Unified Smart Agriculture Decision Intelligence Platform** (0 TEAMS). Domains: Software, Agriculture, Agriculture. Description: 'Problem Statement: Agricultural data such as weather, soil health, groundwater levels, crop conditions, market prices, and government schemes are scattered across multiple systems, making timely and...'. Buttons: 'View details →', 'Select'.
- skh002: AI-based Climate Risk Advisory Platform** (0 TEAMS). Domains: Software, Agriculture, Agriculture. Description: 'Problem Statement: Climate change has increased the frequency of unseasonal rainfall, heatwaves, droughts, and hailstorms, causing significant crop losses. Farmers often lack timely, location-specific...'. Buttons: 'View details →', 'Select'.
- skh003: Intelligent Groundwater Monitoring and Water Resource Management System** (0 TEAMS).
- skh004: AI-powered Smart Irrigation Recommendation Engine** (0 TEAMS).
